UNICEF Nutrition

Membership Forms

- If you haven't already please turn in forms and dues.
- Also remember to sign up for the remind 101 @BWunicef
- Don't forget to sign up for BWHS UNICEF online!
- Requirements: 2 unexcused absences over the course of the year, 4 in-club hours each semester

Nutrition

- People who are well nourished are more likely to be healthy, productive and able to learn.
- Malnutrition blunts the intellect, saps the productivity of everyone it touches and perpetuates poverty.

Negative Effects of Malnutrition

- Stunting - or low height for age - traps people into a lifelong cycle of poor nutrition, illness, poverty and inequity.
- Stunting affects 165 million children under five years old – one out of every four.
- Child's poorer school performance results in future income reductions of up to 22 per cent on average.
